➤ **Film or book review:**

- Choose a Science Fiction or Fantasy movie or book that you like or hate.
- Create a film or book review and talk about it for 2 minutes.
- Give a short summary without telling the end.
- Say what you liked and disliked.
- Introduce some of the main characters.
- Give interesting extra information.
- Do you recommend it or not? Why?

Speak freely. You can use notes (only catch words, not whole sentences). Collect information about the film or the book on the internet.

The following site is quite useful: <http://www.iochenenglish.de/?p=7161>

But do not forget that you have to talk about it. **Do not write** the review in advance and learn the sentences by heart. Written and spoken language is not the same!
