➤ Discussion / Debate

Work with a partner. You are either a:

- head of an oil company / a supporter of nuclear energy
- or:
- green peace activist who supports alternative energies

Prepare the debate alone: Collect as many as possible different arguments for your point of view. Your partner does the same.

Then start a debate and bring your pros & cons.

Speak freely in front of the class (2-3- minutes). Your classmates have to decide who the winner of the debate is.
