➤ **Task: singing under water (*dialogisches Sprechen*)**

Listen again to the newscast “singing under water” (audio CD, number 11). Prepare a dialogue with your partner: one is the interviewer and the other is the scientist.

-Interviewer: Ask questions about whales and their sounds.

- Scientist: You are the expert and have to give correct and detailed answers.

Aim: Speak freely and without any help in form of notes etc. / duration: 3 minutes presentation
