<http://www.learnenglish.de/basics/weather.htm>

Create a weather report for a radio station. Talk about the weather today and the predictions for the next days. Use a lot of specific weather vocabulary. You can invent a region, city or country or you can choose the map at the end of this page (Hillsboro, Oregon, USA).

Length: 2 minutes.

Try to speak freely and do not read whole sentences from your notes. Use your own words as far as possible.

Record it with RecArena.
