➤ Interview with a foreigner

Prepare an interview with your partner about *living in a foreign country*:

One of you is Swiss, the other one comes from another country and has been working/living in Switzerland for three years. Because his/her German is not very good, you speak English together.

First, agree on good questions. Then prepare the interview together. Speak freely in front of the class (2-3- minutes) without any notes.

Some questions could be:

- Where do you come from? Why did you come to Switzerland?
- Who are you here with? Where do you work? What are you doing here?
- What was difficult at the beginning?
- What do you think about Swiss people?
- What are the most obvious differences between your country and Switzerland?
- What do like/dislike here in Switzerland?
- What Swiss food do you enjoy most?
- What other places/regions have you visited so far in Switzerland?
- What do Swiss people think about your country? What prejudices do they have?
- own ideas
